TAKE THE NEXT STEP

DEAR SISTERS AND BROTHERS IN CHRIST,

Welcome to the 2022 Catholic Services Appeal! These past few months have been a great blessing for me as I have travelled extensively around northern Nevada visiting the many parishes and ministries that are part of the Diocese of Reno. As I do so, I am filled with gratitude and admiration for the countless people who participate in and support our mission.

As disciples, we have the awesome privilege of walking with Jesus every day and inviting others to join us in this journey of faith. The Lord is always eager to meet us wherever we may be and to draw us closer to Himself and others. The parishes, schools, and other ministries of the Catholic Church are the many ways in which we help everyone take the next step in their discipleship.

These ministries would not be possible without the collective support of everyone. By working together, we can live out the commandment to love God and our neighbor -- we can minister in larger urban areas and in smaller mission areas.

We can ensure that quality ministry opportunities exist for resourced parishes and for struggling parishes. We can care for the poor, the infirmed, the aged, the young, the homebound, the imprisoned, and the newly arrived immigrant. That is what the Catholic Services Appeal is all about -- doing God's work together in northern Nevada as the Body of Christ.

Thank you in advance for joining us in this mission of faith and discipleship. Trust in God and never hesitate to take the next step in your faith life. Through the Catholic Services Appeal, you can help others take the next step in their faith lives as well.

With gratitude and assurance of my prayers,
I remain, yours in Christ,

+ Daniel Muegggenborg

Trust...

Trust is a mutual relationship. You can trust when you contribute to the Diocese of Reno, your donation is used to support the growth of our Diocese, with heavy focus on ministry, education, and vocations. When the pandemic hit all of us hard, you continued to be generous. We are grateful for your support.

Take a look at where funds are allocated. Only modest increases have occurred in the past few years. It's important to understand how your contributions make a difference!

Did you know that each parish gets a rebate of 100% back to their church once they meet their CSA target for the year? As of October 2021, eighteen parishes reached their target goal. We pray that all parishes will make their 2022 goal!
