“What sustains and replenishes you? or How do we stay spiritually hydrated?”

Terry Hershey is an author, humorist, inspirational speaker, dad, ordained minister, golf addict, and smitten by French wine. He divides his time between designing sanctuary gardens and sharing his **practice of “pausing” and “sanctuary,”** to help us rest, renew, and live wholehearted. Terry’s book, ***This Is The Life***, offers the invitation and permission to savor this life, to taste the present moment. Most days, you can find Terry out in his garden—on Vashon Island in the Puget Sound—because he believes that there is **something fundamentally spiritual about dirt under your fingernails.**
